Homework: Homework is an expectation of the course, and late assignments will not be accepted. All homework for the summer session is listed, by section, below.

- Online homework will be located in My Math Lab sections listed in conjunction with your text.
- All Written homework will be uploaded in Canvas as a .pdf file.

Quiz Policy: Quizzes will be given approximately once a week throughout the semester. They will be based on the lecture, homework and the in-class discussions. There will be 8-12 assessments given throughout the semester. Most quizzes will require the Respondus Lockdown Browser with a .pdf file. Upload after the quiz is completed.

Exams: There will be TWO common midterm exams held during the semester and one comprehensive common final exam. The exams will require the Respondus Lockdown Browser with a .pdf file. Upload after the exam is completed. Exams are held on the following days:

Midterm Exam II	August 3, 2022
Final Exam	August 15, 2022

The final exam will test your knowledge of all the course material taught in the entire course. Make sure you read and fully understand the **Math Department's Examination Policy**. This policy will be strictly enforced.

Makeup Exam Policy: There will be **NO MAKE-UP QUIZZES OR EXAMS** during the semester. In the event an exam is not taken under rare circumstances where the student has a legitimate reason for missing the exam, the student should contact the Dean of Students office and present written verifiable proof of the reason for missing the exam, e.g., a doctor's note, police report, court notice, etc. clearly stating the date AND time of the mitigating problem. The student must also notify the Math Department Office/Instructor that the exam will be missed.

Cellular Phones: All cellular phones and other electronic devices must be switched off during all class times.
