**Grading Policy:** The final grade in this course will be determined as follows:

Homework (WebAssign)	17%
Quizzes	19%
Midterm Exam I	18%
Midterm Exam II	18%
Final Exam	28%

Your final letter grade will be based on the following tentative curve. Note: This course needs to be passed with a grade of C or better in order to proceed to [Math 238](#) or [Math 246](#).

A	88 - 100	C	66 - 71
B+	83 - 87	D	60 - 65

C+	72 - 76		

**Attendance Policy:** Attendance at all classes will be recorded and is **mandatory**. Please make sure you read and fully understand the [Math Department's Attendance Policy](#). This policy will be strictly enforced. Each class is a learning experience that cannot be replicated through simply "getting the notes."

**Homework Policy:** Homework is an expectation of the course. The problems listed in the syllabus are to be handed in. There will be additional homework on WebAssign. Deadlines will be enforced. If you have any difficulties with registering and getting an account with WebAssign please see the professor immediately.

**Quiz Policy:** There will be frequent quizzes given throughout the semester. They will be based on the lecture, homework, and the in-class discussions.

**Exams:** There will be two midterm exams held in class during the semester and one comprehensive final exam. Exams will tentatively be scheduled for:

Midterm Exam II (Tentative)	November 9, 2021
Final Exam Period	December 15 - 21, 2021

The final exam will test your knowledge of all the course material taught in the entire course. Make sure you read and fully understand the [Math Department's Examination Policy](#). This policy will be strictly enforced.

**Makeup Exam Policy:** There will be **NO MAKE-UP QUIZZES OR EXAMS** during the semester. In the event an exam is not taken under rare circumstances where the student has a legitimate reason for missing the exam, the student should contact the Dean of Students office and present written verifiable proof of the reason for missing the exam, e.g., a doctor's note, police report, court notice, etc. clearly stating the date AND time of the mitigating problem. The student must also notify the Math Department Office/Instructor that the exam will be missed.

**Cellular Phones:** All cellular phones and other electronic devices must be switched off during all class times.

## **ADDITIONAL RESOURCES**

**Math Tutoring Center:** Located in the Central King Building, Lower Level, Rm. G11 (See: **Fall 2021 Hours**)
