Attendance Policy: Attendance at all classes will be recorded and is **mandatory**. Please make sure you read and fully understand the **Math Department's Attendance Policy**. This policy will be strictly enforced. Students are expected to attend class. Each class is a learning experience that cannot be replicated through simply "getting the notes."

Homework Policy: Homework is an expectation of the course. All homework for the fall session is listed, by section, below.

- Online homework will be in My Math Lab sections listed will be in conjunction with your text.
- Hand - In Homework Problems: Only the exercises with an asterisk, *, will be graded for homework. All other problems that are listed are not required for submission, but it is strongly suggested that they be completed for practice and preparation for exams.

Quizzes Policy: Quizzes will be given approximately once a week throughout the semester. They will be based on the lecture, homework and the in-class discussions. There will be 8-12 assessments given throughout the semester.
