

**Spring 2020 Syllabus Addendum
Transitioning to Online Instruction**

Math 341-002

Course Title: Stats Methods 1

Instructor: Professor Porus

Date: March 13, 2020

Due to the pandemic, our classes will now meet via Webex at the usual class times. Exam #2 and the Final exam will be proctored via ProctorU. Please make sure to have a webcam, microphone and computer that will be compatible with ProctorU. Please see the NJIT IT Department if you feel you may not have the needed technology. There will be occasional take home quizzes, although remaining homework should be completed individually for practice and reference. We do not envision any changes to the grade breakdown at this time.
