

**Spring 2020 Syllabus Addendum
Transitioning to Online Instruction**

Math 614-002

Course Title: Numerical Methods I

Instructor: Professor B. Hamfeldt

Date: March 16, 2020

Beginning March 23, classes will meet virtually via WebEx at the regularly scheduled times of Monday and Wednesday from 10:00 – 11:20 am. Recordings of these online classes will be posted to Canvas. In the event that a regularly scheduled class fails to take place because of connectivity or other technological issues, a lecture will be recorded and posted to Canvas as soon as possible for students to view prior to the next scheduled class.

Office hours will be held via WebEx every Monday and Wednesday from 1:00-2:00 pm.

Homework assignments will continue to be posted to Canvas. Students can submit their completed assignments through Canvas.
