

**Spring 2020 Syllabus Addendum  
Transitioning to Online Instruction**

***Math 689-002***

**Course Title:** Advanced Applied Math II

**Instructor:** Professor M. Siegel

**Date:** March 13, 2020

The topics to be covered will not change. A complete set of lecture notes for the whole semester has already been posted on Canvas. Virtual lectures, via Webex, will occur at the usual class time (M, W 11:30-1) starting the week of March 23. This will consist of slides with voice over, and since it will be presented live, students will have the opportunity to ask questions. Office hours will be held at the usual time (M, W 3-4) over Webex. Please email ahead of time if you expect to make use of virtual office hours.

Homework assignments will continue to be posted on Canvas, and solutions should now be uploaded there in pdf form.
